

WHAT IS THE YOUNG LEADERS COLLECTIVE?

This new initiative will network, train, and mentor a select number of emerging young Christian leaders to collectively influence their world as they become firmly rooted in the person and message of Jesus.

WHAT WILL YOU EXPERIENCE?

You get a 2-year hands-on hybrid experience with different engagement levels based on your availability and application. In Year 1, there are 3 tiers to choose from that provide differing levels of training, mentoring, networking retreats, and peer interactions with the option of getting a Gr 11 high school course credit. Year 2 is the YLC Graduate Program, which is focused on mentorship and implementation of a strategic Kingdom-building leadership initiative to impact your local community.

WHAT YOU GAIN THROUGH YLC:

- access to executive-level coaching
- a Gr 11 High School course credit
- ability to live out your Christian faith in today's changing culture
- a network of peer leaders
- critical leadership skills for both life and the workplace
- increased opportunities to be a Christian leader that influences our world!
